Broker Comments

"Lordwest" represents a rare opportunity to purchase an exceptionally well-kept Princess 68. The yacht has been lightly used and diligently maintained, with her spending the winter months out of the water and stored inside a shed. The vessel has only had two private owners from new, with the current owner constantly updating elements onboard to ensure she remains updated with technological developments. Many of these updates which include a Yacht controller, flybridge joystick, upgraded stern thruster and pair of additional bow snubbing winches have been intended to make the yacht easy to manoeuvre and moor by an owner operator. The low hours, high specification and excellent condition combined with the ample four double cabin accommodation make for a compelling yacht to consider for purchase.

Disclaimer

In this case we are acting as Brokers only.

The Vendor is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract.

A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
