### Brochure layout plan:

Whilst every care has been taken in the preparation of these particulars, their correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract.

A prospective purchaser is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability on our part.

All dimensions, speeds & range given are approximate and should be treated as a guide only. Some pictures may be from brochures or of a similar boat. Engine hours shown are correct at the time of the preparation of the particulars, but will vary with usage.
