Brochure Layout Plan:

In this case we are acting as Brokers only. The Vendor is not selling in the course of a business.

Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.

All dimensions, speeds & range given are approximate and should be treated as a guide only. Some pictures may be from brochures or of a similar boat. Engine hours shown are correct at the time of the preparation of the particulars, but will vary with usage.
