THE YACHT CUSTOMISATION SERVICE  
FOR PRINCESS OWNERS

PRINCESS MOTOR YACHT SALES

## WE BREATHE LIFE INTO YOUR DREAMS

We take something beautiful – your yacht – and personalise it to suit you. Our yacht customisation service is carried out to the same rigorous standards and impeccable build quality you would expect of your Princess. We select only those components and products that complement and enhance. This, coupled with keen attention to detail and a seamless finish ensures that your newly customised yacht will look like it was always so.

Reassuringly, all work is completed by Princess-trained craftsmen and engineers. Having garnered years of experience, our team is committed to providing excellence in every aspect of their work.

Furthermore, our clients enjoy total peace of mind knowing that even custom products and systems are backed by our unrivalled aftersales service. As a globally recognised name, Princess Motor Yacht Sales has the international scope to offer technical support or a friendly face in times of need, wherever your adventures take you.

One might assume that such an unsurpassed service comes with a sting in the tail. On the contrary; our breadth of knowledge and reputation in the marketplace is such that we can source and acquire the finest products at highly competitive rates. Our discerning clients don't have to settle for anything less than exactly what they want.

Read on to discover the potential and the possibilities that Princess Motor Yacht Sales Individual currently has available. These are just some of the products and services that we can provide. If what you have in mind isn't listed amongst these pages, we'll be delighted to discuss your ideas with you.

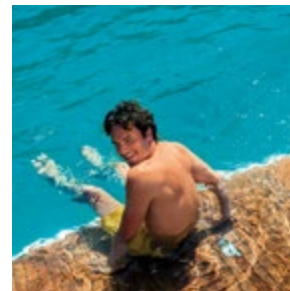

Bespoke interior and exterior design and fittings | Vinyl wrapping | Hull painting | Surface protection and easy clean products | Carpets | Upholstery | Exterior covers | Privacy screens | Exterior cushions alterations and upgrades | Teak deck protection | Protective covers for furniture and floors | Illuminated and non-illuminated name signs | Vinyl boat names, port names, yacht club & SSR teak decking

# Enhance.

The sky's the limit when it comes to customising and transforming your yacht. Remove a cabin and create a high-tech workspace. Change the carpets, change the upholstery, even change the colour of your yacht; with vinyl wrapping you can let your imagination take flight without affecting your boat's resale value. Lay teak decking, add privacy screens, cover your exterior seating cushions to protect them from the elements, light up your name sign, add a dance floor... whatever you have in mind, our team of engineers and craftsmen can make your vision a reality.

# Connect.

One of the pleasures of spending time on board is getting away from it all. However, life at sea doesn't mean you have to lose touch with the outside world or do without the things you enjoy. Live life in vivid sound and colour with top of the range interior and speaker upgrades, satellite TV, Internet, and media distribution systems that will link every hub from bow to stern. Explore the world above and below you with navigation upgrades and fish finding sonar. We give you the power to be as connected as you want to be.

# Protect.

Protect your boat as well as the ones you love. Our safety and security systems will inform you, alert you, safeguard and reassure you. From first aid kits to life rafts, we can provide comprehensive safety kits for your boat that meet the highest regulations. Fire monitoring systems can both detect and put out fires. PLBs track you should you fall into the water and vessel tracking systems allow you to remotely log into your boat system, wherever you are in the world. Monitor battery voltage, receive text alerts if the alarm is activated or water is detected in the bilges. We can customise for your total peace of mind.

# Enjoy.

When it comes to comfort, we can make every aspect of life on board more enjoyable. Rising in the morning is easier if your yacht is a little warmer. Boiling water on tap delivers that coffee a little faster. Charge up your phone or laptop and work wherever you choose – even while at anchor. Added refrigeration means entertaining over lunch is simple and with an ice-maker, sundowners can be at anytime you fancy.

# Play.

You work hard, now it's time to play hard. We can kit your yacht out with all the luxury sea toys and marine leisure gear your heart desires. From jet ribs to jet skis, sea bobs to water sports equipment, we'll ensure that you can let loose and live life to the full. Whether you're a speed demon and adrenaline junkie or nature lover wanting to open up the mysteries of the quiet depths below, we'll give you everything you need to embrace all that life on your yacht has to offer. Go make the world your playground.
