Broker Comments

A beautiful example of a Princess 43 that has always been well-maintained and presents itself in excellent condition. In addition to its excellent condition, it's worth pointing out that the vessel has been used exclusively in the Baltic Sea and offers the option of winter storage in Rostock, if desired

Disclaimer

In this case we are acting as Brokers only.

The Vendor is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract.

A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
