Broker Comments

Honey B is an excellent example of the P58/ Current owner for 11 years which he purchased after a long period looking to secure the best available. Every effort made to keep her the same condition if not better by replacing all the teak decks etc. The boat is washed and cleaned every few weeks. The interior trims and wood are all excellent, being bright & airy with a lovely mix of colours, textures & detailing. Last fully serviced Engine and antifoul, July 2026.
