The Princess S72 is one of the shipyard's most desirable Sportbridge models, delivering an exhilarating blend of performance, space and design. Her sleek profile, sweeping hull windows and unmistakable Princess lines make a statement in any marina, while her refined interior set a new benchmark for contemporary luxury. Powered by twin MAN V12 1800s, she offers blistering top-end performance with the confidence and efficiency required for comfortable cruising in any waters.

Step inside and the S72 immediately impresses with its open, light-flooded layout. The saloon is framed by panoramic glazing, a large aft galley and seamless indoor-outdoor flow through sliding doors. Her Sportbridge offers the perfect elevated lounge space — generous seating, wet bar and sunpads — ideal for long lazy days at anchor. Below deck, accommodation is superbly arranged with four beautifully appointed cabins, including a full-beam master that rivals larger much yachts.

## DELIVERED IN 2024

, this Princess S72 presents in exceptional condition throughout, clearly benefiting from meticulous management and a highly proactive Owner. Her specification is extensive, with key upgrades to AV/IT, stabilisation and deck equipment that enhance both onboard comfort and charter appeal. Everywhere you look, she feels fresh, contemporary and lightly used — far closer to a new boat than might be expected.

Importantly, she is coded to charter and comes with a phenomenally strong charter record, making her one of the most compelling opportunities in the market today. Whether continued in charter for excellent revenue potential or enjoyed privately as a near-new S72 ready for the season, she offers versatility, pedigree and proven demand. A rare chance to secure a 2025 model with immediate charter potential in the most sought-after cruising grounds of the Mediterranean.
