- Cockpit privacy screen
- Black mesh wheelhouse side screen covers, to attach to A-pillar via surface mounted poppers
- 16x Fender socks supplied with Princess Logo in grey
- 8mm teak decking upgrade throughout
- Sunpad conversion infill cushion for flybridge aft starboard L-shape seating unit
- Electric aft awning fitted to upper deck (anthracite grey mesh)
- Plug in carbon pole transom shower and deck socket to bathing platform
- Cool box accessed from flybridge foredeck walkthrough area
- Flybridge deck wash system
- Main deck foredeck manual up/down dining/sunbed conversion, with infill cushion
- Cockpit dining chairs (x3) – Kettal Net including covers

Ship Systems

- Hydraulic stern thruster (variable speed 320 KgF)
- Sleipner Vector Fin stabilisation system with VFS1450 fins. When underway fins are driven by engine powered hydraulic motors or by a generator powered electric motor when the main engines are turned off
- Upgraded to x2 Kohler 28kW generators (Includes genset telemetry displayed via an additional Boening page for both generators. This feature is not present on Onan equipped boats).
- Incorporates the Kohler PGEN paralleling system providing automatic Start/Stop control of the second generator as required to meet the boat loading conditions
- Air-conditioning - Electrosea Electrostrainer fitted on air conditioning sea water inlet. System is an all-in-one biofouling prevention and straining device that prevents marine growth on sea water pipes and reduces fouling of the air-conditioning system impeller
- Wing station (Third) controls in starboard side of flybridge coaming (engine controls, emergency engine stops and thruster controls) This is located on the starboard side, next to the helm door
- Multi sockets, in place of standard sockets (throughout craft) (not for use in USA or Australia)
- AGM 140ah batteries in place of standard (for start and domestic batteries) and lead acid batteries for generator start
- Power socket upgrade incorporates additional double power sockets (skylounge, deck saloon, galley, forward dining area)
- Additional single power socket (master stateroom, forward guest cabin and starboard guest cabin)
- Combined watermaker (189l/h) and water purification system (314l/h) (Spot Zero) Purifies seawater and dockside water by removing dissolved solids. Complete with shore water hook-up, remote display in wheelhouse

T: +44 (0)1489 557755

www.princess.co.uk

and service/spares kit.

- Grey water tank (1,400 litres), in addition to standard black water tank. Grey water tank takes waste water from interior sinks, showers, washing machine and dishwasher
- M300C FLIR camera - Stabilised Visible Marine Camera, with long range zoom capability (30x optical zoom) and joystick control kit
- CCTV Option 1 CCTV system with pan/tilt/zoom camera in cockpit and two fixed cameras in engine room, displayed on helm displays (total of 3 cameras)
- Three Phase shore support inlet (380v-415v / 42kVa @50Hz) in addition to the existing 2 x 63A single phase inlets.

Interior Fitout

- Walnut interior wood satin finish (galley floor is V groove planked walnut as standard, Skylounge (with inlaid rug*) and wheelhouse are in V groove planked Walnut as standard)
- Main deck saloon floor in V-groove planked timber flooring (wood type same as standard galley flooring)
- Clamshell Quartz (honed) satin galley countertop
- 5 stateroom layout with additional forward main deck master stateroom and additional place settings for selected dining table options (10 place settings total).
- Main deck master stateroom fit out includes a built in safe as standard. Includes electric curved blind to forward window and electric day/night blind to port side full height glazing/hinged door
- Port cabin with double berth conversion with powered sliding mechanism on inboard berth
- Saloon dining area with dinette sofa and powered folding up/down/inboard/outboard coffee/dining table to seat 10, in place of standard saloon large U-shaped sofa (includes additional cutlery, crockery and glasses service sets) with free standing chairs (5) (This area will have carpet as standard unless timber flooring option is selected)
- Interior finish is white gel with white laminate shelving
- Forward cabin with bilge level dry storage space, accessed through a hatch in the forward cabin floor including access ladder
- Hinged door to port side of main deck dinette/optional main deck master stateroom giving access to side deck/foredeck with opening porthole
- Crew cabin:
- Crew mess layout incorporates kitchenette, breakfast bar and 2 bar stools
- Kitchenette is equipped with 2-zone hob, convection microwave oven, 117l fridge/17l freezer and mixer tap/sink
- Starboard cabin is unaltered from standard
