Broker Comments

This stunning Princess X95 exemplifies the perfect combination of elegance, innovation, and versatility in a striking superyacht package. She is a ground-breaking yacht that sets new standards in luxury and innovative design, paying particular attention to meeting the sub 24m rule. As the first Princess X95 equipped with the upgraded full-length hull windows, she offers unparalleled amounts of light throughout her voluminous interior. The open-plan main deck features a spacious 65-foot-long saloon and galley, complemented by incredible 360-degree glazing for breath taking, all-encompassing vistas. The yacht also boasts a stunning full-length flybridge with a second "sky lounge" saloon, perfect for socializing and relaxation in style. Additionally, the versatile beach club seamlessly brings guests right onto the water, providing easy access for swimming and water activities, while serving as a comfortable crew mess when not in guest use.

Commissioned for most discerning owners who are immensely experienced with design and interiors and also benefitted from the expertise of their seasoned captain through build and operation following his years of experience working at the Princess shipyard, this extraordinary yacht has been meticulously specified to deliver luxury and versatility while cruising extensively. From the moment you step aboard, her flawless condition speaks volumes, every detail has been lovingly maintained with all warranty and servicing entrusted exclusively to Princess from day one - she is not just pristine, but truly turnkey and ready for her next chapter.
