PRINCESS 49

Cutting through the waves at speeds up to 35 knots or cruising at a highly economical 30 knots, the new Princess 49 promises to be sublimely enjoyable. She combines the latest IPS pod drive system with a new modified deep-V hull providing ease of handling and manoeuvrability. Her social flybridge arrangement enjoys a twin helm seat, convertible L-shaped sofa and generous seating aft. The spacious deck saloon comes alive with light from the panoramic windows and has an ingenious aft-galley layout which can be fitted with a full-height fridge/freezer. Below deck, there's a full beam owner's stateroom, a forward guest cabin with the option of scissors berths and a generous two berth starboard cabin. Quite simply, a yacht that feels like it's in a class of its own.

Qu'il s'agisse de fendre les vagues à près de 35 nœuds ou de naviguer à une vitesse de croisière particulièrement économique de 30 nœuds, le Princess 49 est une source de plaisir sans fin. Son flybridge convivial abrite un poste de pilotage à deux sièges, un canapé convertible en L et un coin salon spacieux à l'arrière. Le grand salon de pont est animé par la lumière qui pénètre par les fenêtres panoramiques et l'agencement ingénieux de la cuisine sur l'arrière permet de placer en option un grand réfrigérateur. Le pont inférieur abrite la cabine du propriétaire sur toute la largeur, une cabine avant avec des couchettes pouvant être disposées en biais et une vaste cabine à tribord avec deux couchettes. Un yacht qui a de la classe, tout simplement.

Es ist eine wahre Freude, mit der Princess 49 bei einer Geschwindigkeit von bis zu 35 Knoten (oder mit der extrem kraftstoffsparenden Geschwindigkeit von 30 Knoten) die Wellen zu durchkämmen. Die gemütliche Flybridge ist mit einem Doppelsteuersitz, einem umwandelbaren Sofa in L-Form und einem geräumigen Sitzraum im Achterschiff ausgestattet. Durch die Panoramafenster wird der geräumige Decksalon zum Leben erweckt; die Achterschiff-Kombüse wurde auf raffinierte Weise konzipiert und bietet optional auch einen Kühlschrank in voller Raumhöhe. Auf dem Unterdeck befinden sich die Kabine des Eigners mit voller Beleuchtung, eine vordere Kabine mit optionalen Scherenkojen und eine großzügig eingerichtete Steuerbord-Kabine mit zwei Kojen. Oder einfach ausgedrückt, eine Yacht, die es in sich hat.
