

Y CLASS

EXPERIENCE THE
EXCEPTIONAL

Your yacht is an extension of yourself. A statement of your lifestyle. She needs to deliver unforgettable experiences for you, your family and friends. Every Princess yacht is designed with our forward-thinking mentality and crafted with meticulous attention to detail. So whether you're dashing across the water or moored in your favourite bay, you will recognise the difference our design and details make, inside and out.

Experience the exceptional.

CRAFTED IN PLYMOUTH

Perched on the edge of the English Channel lies the city of Plymouth, where we established our home in 1965. Today Princess shipyards cover an area of over 1.1 million square feet, an area rich in British maritime heritage. In fact, South Yard, where our X Class Super Flybridge yachts are constructed, is a former naval yard dating back to the 17th century. From the outset, our goal has been to meticulously sculpt our yachts around our owners' enjoyment of them. Such dedication and attention to detail resonates deeply with our Plymouth craftspeople.

Over 3,000 people, each possessing a mastery of their skill, fastidiously realise this vision in our shipyards. Through a culture of innovation, our yachts are not only some of the most technically-advanced in the world but also the most beautifully realised.

THE EXPERIENCE OF PERSONALISATION

Every yacht in the Y Class range is unique. We start with an inspiring platform, combining luxury and performance, with a focus on meticulous detailing. It's then down to you to create your ultimate yacht with a variety of layout options and a fine selection of designed interiors with expert guidance from the Princess Design Studio. It is this journey that makes the Y class so enticing. A refined yacht that is ingenious by design, exciting to experience and personalised by you.

Y CLASS

Discover a world of motor yachting that's ingeniously crafted to capture your imagination. Meticulously detailed surroundings finished with the finest materials, bathed in space and light, create a compelling conversation between every area of the boat. A sophisticated experience with the power to excite.

Y 95

The flagship of our Y Class range – the all-new Y95, has been crafted with an emphasis on long-range cruising comfort and inspired styling. With the latest hull form and an efficient wave-piercing bow, she will provide class-leading seakeeping, reaching speeds up to 24 knots. With a spacious garage and transformer bathing platform and the option of a beach club, your maximum enjoyment of time on the water is assured. Her evolved exterior styling features the longest and most expansive hull windows ever installed on a Princess yacht, whilst her spacious indoor and outdoor living spaces are comparable to those of larger craft.

Configurable layout options throughout and a new interior design language await, with the guidance of your own Princess Design Consultant to assist with defining your vision. With an interior volume comparable to larger yachts, her main deck features a full beam master stateroom with skylights and is complemented by a further four well-appointed en-suite guest cabins. Her generous crew accommodation includes an en-suite Captain's cabin with double bed.
