## LOCATION

Mallorca, Spain

## INVENTORY

## BROKER COMMENTS

- "Restless" epitomizes everything that is Princess. She is powerful, agile and gracefully elegant. Her ability to achieve an estimated range of 2,000 nm at 10 knots whilst also being capable of achieving speeds up to 26 knots set her apart from other yachts in this class.
- The interior styling and detailing is exceptional, with the finest fabrics and finishes adopted throughout. She has been lightly used by her private owners whilst benefiting from a very energetic and detailed captain who has maintained and upgraded the yacht without compromise.
- "Restless" not only carries the highest specification of any princess 88 on the market today, but also represents an extraordinary opportunity for any buyer who is seeking an exceptional yacht in turn key condition at the right price. Offers are invited.

- The name "Restless" is to be retained by the seller.

## HULL COLOUR
